WHAT PEOPLE ARE SAYING ABOUT THE HINWOOD INSTITUTE TRAINING

Some justifiably call me a control freak, and as I believe in setting the benchmark and never having engaged Barbara before, naturally I was nervous. What a waste of stress, Barbara was a true professional, constantly discussing and refining what I wanted and how I wanted the subject matter delivered.

The webinar was full of webinar newbies, including us. It was a tough gig with participants at first reluctant to join in. I can only describe Barbara's webinar in two ways:

1. Complete professionalism, brilliant delivery
2. Complete success

I am happy to recommend Barbara to deliver webinars and workshops.

Barbara has the capacity to explain complex topics simply. Always appreciate her flexibility and understanding of businesses diverse needs. She has a wealth of knowledge that converts to practical outputs.

Sabina Vitacca, Mindfulness Consultant

I attended a workshop Barbara facilitated. She is a warm and natural facilitator and brings her experience to the task at hand in a seamless manner. A pleasure to participate.

Dr Joanna Henryks, Senior Consultant, Matrix on Board

I attended a few of Barbara's talks about time management, procrastination, communication and planning. Her talks are interactive, highly motivating and fun. The business world needs more of these types of speakers.

Stephanie Sugito, Administration & Management Assistant.

We recently engaged Barbara to deliver and facilitate a 45 min workshop on Negotiation Skills. It was only a short session but some key phrasing and concepts were communicated in that time. [Participants] identified the Negotiation Skills workshop as one of the useful take-aways from the 3 day program. One of the attendees, 1 week later said that they had used some of

the learnt negotiation approaches the next day and it had had a successful result. Looking forward to being able to work with Barbara again on a longer session.

Sally Clifford (no relation), General Manager, Matrix Consulting Northern Australia–Matrix on Board
